Seat Stabilizer Options
Color Options

Above are commonly included miscellaneous (K0108) accessories not found in Columns I & II (right). Please be sure to include these items in the base HCPCS code to ensure the work order is booked for the appropriate expected reimbursement during Coding & Pricing.

IMPORTANT NOTES:

- Custom seating – E2609 &/or E2617 – bundles all components that make up the custom seating into the main cushion HCPC (for 1 unit total)
- Any cushion parts/pieces/accessories that are a part of the custom seating are not separately reimbursable under K0108 or any other code. Please use **BNDL** feature in the Detail Tab
- Cannot provide a general use cushion E2601, E2602, E2611, or E2612 with a rehab seat PWC base – both the seat and base will be denied. Must provide captain’s seat *IF* the seating and positioning needs are not met to justify the specialty seat/back cushions
