

System Update

UPDATE DETAILS COMING SOON

Scan Doc Titles

Update: When scanning or uploading documents into Mobility Advisor, it is essential that they are correctly titled. To ensure consistency and improve clarity, new document titles have been added to the dropdown selection, and some outdated titles have been removed.

CHANGES

Newly Added Titles:

- **Invalid RX-DWO** (use when a RX/DWO is returned incomplete or unsigned or is no longer valid due to expiration or equipment changes)

Updated Titles:

- **Therapist Addendum Unsigned** has been renamed to **Unsigned LMN Addendum**
- **Unsigned LMN (Therapist)** has been renamed to **Unsigned LMN**

Removed Titles:

- Insurance Re-verification
- Labor Addendum
- LMN iPad
- Unsigned LMN iPad
